

Baltijas Reģionālais fonds and Jauniešu studija "BaMbuss" are looking for 2 youngsters to be a part of a European Solidarity Corps volunteering project in Riga, Latvia.

WHEN? April – December, 2019 (9 months).

WHERE? Riga, Latvia - Youth studio "BaMbuss"

WHO? Youngsters aged between 18 and 30 years, residents of EU (program) countries, able to communicate in English, which will be working language.

We are open to all volunteers, however, qualities that we consider to be necessary and advisable for volunteers are: communicativeness, creativity, positivity, ability to work in a team, as well as independently assume their responsibilities, to participate in decision-making processes by adding their own ideas and suggestions to improve organization's activities.

We would prefer you to be interested in: communication, photography, editing and filming videos, social networks, organizing events and leading some workshops for youngsters in our youth studio and leading your native language clubs. We don't ask you to have specific knowledge in these topics, but you should have desire and get ready to learn doing all those things.

WHAT?

Baltic Regional funds is a non-governmental organization. It was born in Riga, but Europe is its home. BRF's energetic team organises activities all around Latvia and participates in many projects on European level. The organisation works with people from different age, education, social status and cultural background. BaMbuss Youth Studio is an initiative of BRF. It is a special place for youngsters, where they can develop social, artistic and professional skills.

Volunteers will actively be involved in all foundation and #jsBaMbussactivities and will learn new skills, gain new experiences, will expand their horizons, organize their own initiatives, events, workshops, information campaigns etc., get to know different cultures through participating in various events and activities, participating in youth projects and charities activities with young people and youth organizations from all Latvia.

If you are interested to take part in the project, fill the online application form: <https://goo.gl/forms/p9yY3zNwjT2UmxNE2>.

Deadline for the applications: February 18, 2019.
